President's Message

It would appear that our snowmobiling days are over for another season! The season got off to a late start but eventually did provide us with some excellent short term riding. In comparison to last season, it was awesome! Linda, Kelsea, and I gambled on one last ride in on March 24th in Vermont and all and all had really nice trail conditions. With temps in the 40's and the sun shining, it made for a great finish to the season. With rain in the forecast, we packed up the sleds for another year and returned home! Here's hoping that next season is even better!

You should also check with Kathy as to what is already being brought by others and what might be needed to help round out the meal. Hope you're able to make it to share your riding stories of this season.

April 21st is our Pot Luck Supper that Dick & Kathy Poole are hosting. If you're planning on attending **PLEASE** be sure to let Kathy know (r_kpoole@yahoo.com or 529-3385) (FYI- there is an underscore between the r & k of their address) that you are coming.

The May banquet will be held at the Hill View restaurant in Manchester which is located on 270 Amory St. in the old Gosselin Plaza. We will put together the final menu for the banquet at the April meeting and will also need to know who will be attending! Please let Linda or I know if you will be attending this function ASAP! Phone- 497-4023 or email: the3lamberts@verizon.net . Or come to the April 9th meeting!

As mentioned in the secretary's minutes, Laurie will not be able to continue next season as club secretary. If you can make the meetings and would be willing to take this position let Laurie know ASAP! We need to have all positions filled by the May banquet so that they can be voted in for next

season. Anyone interested in any of the board positions; President, Vice President, Secretary, Treasurer, Social Director, Trail Administrator, Fundraiser, Membership, or Publicity, let Laurie know ASAP! Most of the current board has been serving positions in the club for many, many years and would love to let someone else have a turn at it! Give it a try! I would also like to thank Laurie for serving as club secretary for the last two years. *Thank you, Laurie!*

Work is continuing on this year's motorcycle Poker Run to benefit Camp Sno-Mo. We've been looking for a location to end the event and it now looks like we'll be ending at the Parks & Rec Center here in town. I spoke with Dave French and he didn't see a problem with us using the building on July 21st. If you would like to receive info about this event, or help out with the planning, let Dave McGlaulin or I know and we'll put you on the email list (or call you) about future meetings. We will be needing help on the day of the event with manning various locations on the route as well as with the cook-out at the end. If you're able to give some time that day, please let Dave or I know. Email: the3lamberts@verizon.net or racersuperdave@comcast.net

It may seem a ways off, but don't forget to mark July 14th on your calendar for this summer's Family Outing at our house. It will be here before you know it!!!

Once again, I hope that you were able to get out and enjoy the snow that we had and I look forward to seeing you

at our April 9th meeting and at the Pot Luck Supper!

Your President,
Albert Lambert

B.S. from Bill

Hi all,

The season is over and once again, I official have put zero (0) miles on the sled this year. Nada. Zip. Zilch. Just like last year and I never even took it off the trailer. To make matters worse, as you all have already read, I lost the keys to my trailer and hitch locks. So, to that extent I make the following plea: **DOES ANYONE HAVE A METAL DETECTOR THAT I CAN BORROW TO LOOK FOR THEM?**

Good news, for the first year (calendar or season) in a while, I did not have an accident on either the snowmobile or the bike. WAAAAHOOOOOOO!

The Thunder Run was fun and although it was small in terms of number of riders, I still think it was a success. Personally, I can't wait for this years run.

I still have not gotten to try out that bridge that Daryl, I and crew built two years ago!

Flashing Freddie now has a buddy, Big Fred. If you have to ask what am I talking about, you obviously aren't old enough to know.

The previous two years at the Family Outing the complaint was that it was one of the coldest, windiest days of the year. That was not the case this year, but now we have a new problem. It

doesn't matter where the grill and food are put, the smoke from the fire seems to follow.

This year has been messing me up. For the last 7 years, my first motorcycle ride of the season has been in March. I was planning that for this year too. So, on my to-do list I had March 17 slated as the day I would prep it and ride. HA HA, silly me. Mother Nature decided to through a late season storm in that Friday. Ok, I'll do it the next weekend. Of course that weekend came with rain and cold and flurries. Scratch option number two. Only hope left of making a March ride was the last day, 4/31. But alas, I knew that would never work as it was Marissa's 8th birthday party. I guess it will have to be April.

Ten months without a job or a paycheck sucks! Thankfully I am back at work and getting paid. Life is good, or at least better than it was at the start of last month.

Since the Daylight Savings Time rules have changed and we will not *Fall Back* until Nov. 11th, it will be a different feeling to be setting up the Flea Market in the early morning light. It will still be 6am, but it won't be darker than dark.

A guy I know played golf on Jan. 27th. Yes, you heard right, Jan. 27th. But of course, if you are reading this you like to ride on the sleds and you know that there was indeed a lack of snow early in the season.

I did save \$70 this year as I never registered my sled.
