## Letter from the President

We have a new member! Annika Paige was born to Sandy and Todd O'Loughlin this past month and I was told all are doing well. Congratulations to the lucky parents and welcome to the *Sleepless Night Club!* Life will never be the same again and in no time at all you won't be able to imagine life any other way!

Our April meeting is the last chance for anyone wanting a position on the Board of Directors to get their name in. Contact Linda Lambert (497-4023 or email [the3lamberts@myfairpoint.net](mailto:the3lamberts@myfairpoint.net)) if you are interested in running for a position. I wish to thank Cathy Brown for running for Membership Director since Kathy Poole is resigning from that post which she has held for the past four years. Thank you, Kathy, for doing such a great job and for always keeping me updated as new members joined the club.

Just a reminder, we still have a few club events left on our calendar for this season! April 18<sup>th</sup> will be our Pot Luck Dinner at the Forcier's (Thank

you, Lee & Cheryl for hosting this again). Please let Cheryl know if you're coming and what food item you're planning to bring. Or, you may want to ask her what dish may still be needed. Contact info is 497-4429 or email [countrylife@myfairpoint.net](mailto:countrylife@myfairpoint.net). After this event is the May Banquet on May 2<sup>nd</sup>, location will be announced at this month's meeting. I hope you can make these events and share stories of your riding season.

Unfortunately, it's time to give your sleds a little TLC before you put them away for the summer. It will make things a lot easier in the fall! Take care and I hope to see you at the April 13<sup>th</sup> meeting.

Your President,  
Albert Lambert

## Fundraising

### **Poker Nights!**

We have completed the paperwork for this year's poker tournaments. Please see our calendar for the dates. They will again be held on Thursday nights at the Lodge at Belmont. If you enjoy Texas Hold'em, Blackjack, Roulette, 3 Card Poker, Let it Ride, or Craps and are 18 or older, please pick one of our dates to spend an evening and help us raise money. The Lodge at Belmont has a great restaurant also, so you can enjoy a great dinner in the Blues-ology Bar and Restaurant and then have a great night of gambling.

### **120 Club Raffle will end this month!**

Thank you to everyone who helped us raise money for the Uncanoonuc Mountaineers Scholarship this year. This month will be the final drawings for the 120 Club Raffle. We will first draw last month's and this month's weekly winners and then conclude with the end of year final drawings.

If anyone has any ideas for additional fundraising, please feel free to email me at [racersuperdave@comcast.net](mailto:racersuperdave@comcast.net) or call me at (603) 487-3938 or (603) 315-8115.

## B.S. From Bill

Hi all,

The thaw is here! Spring has sprung and despite a couple of cold days to officially start Spring, the warmer weather has arrived. In the Southern part of the state riding is pretty much done. I hear there is still some good snowmobiling to be done up North. Those of you still riding I hope you are enjoying the late season trails. As some of you may know, I did not ride at all this year. I am itching to get out next year. All I can hope for is another good snow year. With my luck I'll have the money and the physical ability come December but then Mother Nature will be on a winter strike.

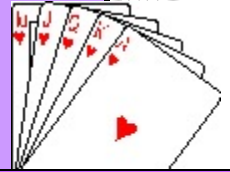

Normally, at this time of the year I do a review list or some sort of recap of what happened during the season. Given my lack of riding and "forced" non-participation in club events, my summary is quick, simple and boring: I didn't ride. That's it. I have no good stories from the trails. No funny anecdotes from lunch stops. No reports of damage to me or my sled (albeit that is a case of no news is good news!) Incidentally, this is the third year in a row that I have not hurt myself while riding, extending my streak from last year. I am sure that all of you have figured out it involves my not riding to maintain this run of good luck. Finally no embarrassing stories of stupid, silly or campy things I did (or didn't) do.

So, here we are at the end of another greater than average snowfall winter. Again I am jobless (I don't like this pattern!) and that would have limited some of my riding if the knee hadn't killed it completely. Now is time to look toward the future as today is supposed to be warm(ish) and sunny. Time to go get the bike out and up and running!

Sorry this end of year recap is short and semi-sweet. God willing, body healing, sled working and snow falling I will have a lot more to write about and have you all laugh at next year.

No more BS for now, until next season,  
Bill Lofgren
