Letter from the President

Well, it was a great winter (despite a blown motor) but it looks like it's coming to an end except for in the most Northern areas. Reports are mixed as to where there is riding available so be sure to check out trail reports for wherever you are thinking of riding before heading out!

At the last County Meeting I was able to pick up the awards that our club received for our contribution to this year's Easter Seal Ride-In. Our club received 3rd place statewide and 2nd place in Hillsborough County for our total donation of \$5,568.00. This amount was made possible, again, by Ron & Sherry Alie making their contribution through our club. Thank you, Ron & Sherry, for all you do for the kids each year and thinking of us when making your contribution.

It was also mentioned at the County Meeting that to date NH had 3 fatalities for the snowmobile season. There's no question that zero is a better number, but when you consider the sizable increase in

registrations this year, and the fact that one of those fatalities was a result of a sled going through the ice, it appears that most riders are being more cautious on the trails. A larger majority of safe riders is actually really great news for our sport. Let's all keep riding safely so that in the future there will be no fatalities to report!

As mentioned last month, it's time once again for selecting the Board of Directors for next season. Any member in good standing can sign up to take a position on the board. If you are interested let me know ASAP at the3lamberts@myfairpoint.net or call 391-2597. The current board could use a break!

Please join us at the Pot Luck Dinner at the Forcier's on April 16th. Call Cheryl Forcier at 497-4429 to confirm your attendance and what you are able to bring! We look forward to seeing you!
