Letter from the President

Well, the season got off to a slow start but has also offered some great late season riding. Linda and I went to Rumney on Friday, April 4th and the riding was great! The trails still had plenty of snow and in most areas there's still over 3' of snow in the woods. If you don't mind the drive there's still some great riding to be had!

Our last club weekend in Errol on March 7-9th had great riding once again. The riding in that area is still going strong and looks like it might continue for most of this month.

I want to sincerely thank Karl Towsley for stepping up to help rework our club website. He's working with his son, Ethan, on moving the site to a new host and updating it at the same time. The site is up and running at this time and will be receiving some updates in the near future. Karl & Ethan seem to have a lot of great ideas for the site moving ahead and we look forward to their recommendations. Karl also mentioned that he was going to

try to get his daughter involved in the project because she is the artistic one in the family! It all sounds very exciting and with the State moving towards online registrations for OHRV's, we'll need a site that will be able to handle our future needs. Thank you, Towsley's, for all you are doing!

As noted in the minutes, we are coming to the end of the season and with that comes the election of officers for next season. Anyone can run for a position on the Board of Directors and it would be greatly appreciated! Most of us have held these positions for many, many years and a "changing of the guards" would be nice. Also, we've been without a publicity director for a couple of years with Linda Lambert filling in since we lost Bill Lofgren. Linda is the secretary and really shouldn't hold two positions on the board. Please help to bring the club up to compliance and maybe even give a current director a break!
