## Letter from the President

Well, it's certainly been a season of cancellations this winter! All of our events have had to be canceled and even the WWW's Hill Climb at Pats Peak was a victim of this snowless winter. Let's hope that this remains a winter for the record books and does not become a trend!

Topics of discussion at the last County Meeting involved the low registration numbers for the season, which were down by almost 60%, and how it will affect the GIA program for this summer and next year as well. Another item of note was that Fish and Game is working to pass a new bill involving landowner/personal property damage caused by wheeled vehicles. You can find more info on the Fish and Game website regarding this bill. Despite the limited riding this season we have had three snowmobile related deaths this season. Speed and/or inexperience seemed to be the causes.

This year's NHSA Annual Meeting will be at the Grappone Conference Center in Concord. We are allowed 3 voting delegates this year and if you have never attended one of these before and would like to, let me know and I'll put your name on the delegates list and get it to the office. Please let me know by our next meeting.

The final location for our May banquet will be chosen at our next meeting. We will also be putting together the nominations for the Board of Directors for next season. If you are interested in becoming a board member, please let me know or attend the meeting.

That's all for now. I hope to see you at the April 11th meeting at the Rec Center 7:00 pm.

Your President,  
Al Lambert

## Motorcycle Poker Run

The Poker Run is scheduled for June 12th as a kick off for Bike Week!

The Poker Run benefits Easter Seals Camp SnoMo! Final details TBA. The ending location will be at Heritage Harley in Concord.

This event is hosted by the Weare Winter Wanderers.

## HK Powersports Vintage Motorcycle Show

The Uncanoonuc Mountaineers have been invited to organize a vintage motorcycle show at HK Powersports, as part of their open house, on Sat April 30, 2016. It was voted to take this on at the March club meeting, and I have agreed to be the chairperson for the event, however we need about 10 - 12 members to work at this event. If you can help out please come to the next meeting, or contact me at [gordonbigblue@aol.com](mailto:gordonbigblue@aol.com) or my cell phone-[603-496-5452](tel:603-496-5452).

The show will run from 9 AM - 3 PM and we should plan on being there around 7:30 to set-up. This show will also include a swap meet for all OHRV's and vintage motorcycles. We will be running the food concessions, as well. This is an opportunity for the club to make some money with no financial risk to the club as HK is paying for everything to run the event, including the food!

If you have any questions please come to the meeting or contact me.  
Sincerely,  
Bud Gordon
