Letter from the President

Given the winter season we “didn’t have” last year, this year turned out pretty well. We only had a couple of weeks of riding in the Southern parts of the state but the Northern areas did quite well.

We had several trips to Errol and other areas that had a varied mix of weather, temps, and snow conditions from one extreme to the other, but this is New England! That said, it was great to at least have the opportunity to get out to ride. Hopefully next season will be even better.

With the season pretty much at an end, I think it’s safe to say that it’s time once again to prep our sleds for their long summer’s nap. A little pampering now will save a lot of frustration later when you pull out that sled for its first ride. Be sure to do all you can to prevent the mice from getting into the engine compartment and exhaust system where they can do a lot of damage and/or start a fire when you start your sled.

As mentioned last month, we need to prepare a slate of officers for next season to be voted on at the May banquet. Anyone interested in taking on a position please let me know by the next meeting on Monday, April 10th.

Thanks to Bud, we will once again have the opportunity to be involved with HK Powersports’ spring Open House which is their kick off to the summer riding season. Bud is working with HK so we’ll have more info for you very soon. We had a great time with at this event last year and made some money at the same time. There’s even the opportunity to test ride some bikes or a Slingshot while you’re there. Not a bad way to spend a day! Help will be needed to cook and serve food for the event so stay tuned.

That’s about all for now! I hope to see you at our next meeting on Monday, April 10th, 7:00pm at the Rec Center.

Your President,
Al Lambert
