Letter from the President

It seems that Mother Nature is toying with us again! One day we're below zero, the next day it's 50° and raining.... What's up with that!

Club members that joined in on the weekend in Errol found some great riding albeit a bit on the cold side. We ventured into Maine East of Success Pond and came back into NH on the Gorham trail. It was a little rough getting into Gorham but once on the pipeline trail it was good riding the rest of the way back to Errol. All and all it was a nice weekend away and Ricky, owner of the Errol Motel, went out of his way to take good care of us.

With the unusual weather, came a major disappointment for the Easter Seals Ride-In. Although the riding in that area the weekend before was great, those next

few days of warmth and rain did them in and all riding went out the window. With that, our club members cancelled reservations for the weekend. Linda Lambert and Sally Raskett drove up on Saturday to turn in our clubs \$3,000.00 donation for Easter Seals Camp Sno-Mo. A "BIG" thank you to Linda & Sally for making the trip up there!

Some good news on the county level! As of the last meeting, we have a new County Director. Bill Bolton from Weare agreed to fill the position. Bill had become Cliff's Assistant a few month ago but will now be the director. Now, we are in need of a new Assistant Director to fill Bill's position. Our thoughts are with Cliff and Irene as he awaits a lung transplant and then begins his recovery process.

In This Issue:

- *The Uncanoonuc Mountaineers once again make a big contribution for campers at Easter Seals Camp Sno-Mo!*
- *Welcome new County Director Bill Bolton. Assistant Director position now open.*
- **Stay informed* Come to the monthly meetings*
- *New snow is in the forecast! Come and join club members on club rides!*
- *Legislation being introduced to raise funds for search & rescue*
- *2012-2013 Calendar of Events*

Our next Club Meeting
is on Monday, Feb 11,
at 7:00 pm at the
Goffstown Rec Center

One item mentioned at the County meeting was that Fish & Game has eliminated Vanity Plates since interest was low and issues were arising with getting them to people in time. The cost to make them was also an issue.

Applications for the NHSA Scholarship are now available online should your child like to apply for it.

The Super Raffle had a profit of only \$1100.00.

NHSA office wanted members to know that they had trouble with their data base for the mailing list of the last Sno Traveler. Some got multiple issues while others didn't get one at all. They have replaced their computer and the issue should be resolved for the next mailing.

Fish & Game is trying to introduce legislation that would help to raise funds to aid in Search & Rescue operations. Hopefully, you received Dave's email on this. We'll be keeping a close eye on this in the months ahead. I'll keep you posted!

That's all for now! I hope to see you at our next

meeting Feb 11th 7:00 pm at the Rec Center. For those of you planning on attending the Feb 22-24 weekend at the Royalty in Gorham, keep your fingers crossed for more snow and I'll see you there!

Your President,
Albert Lambert
