Letter from the President

It's hard to believe that we had to cancel a few club rides at the beginning of the month due to no snow. As I look out my window right now, while we're getting another 12"+ of snow again. Bring it on!

Linda and I took our daughter, Kelsea, for a weekend trip to Errol Jan 10-11 and had a great weekend of riding even though we had very little snow down here. I think it's safe to say that snow conditions throughout the state have been resolved and we now have great riding everywhere! Try to make time to get out and enjoy it since you never know how long it will last!

This past weekend 14 club members reaped the benefits of reciprocity weekend and headed to VT to ride. It was a cold weekend but the riding was great and the access to the VT trail system from our hotel (Maplewood Lodge) couldn't have been better. I can't say enough about the accommodations we had for the weekend! This place is under new ownership and they are doing a great job redoing every part of the Lodge including the new "Polar Lounge". The menu, which included breakfast, lunch and supper, was quite extensive and if you didn't see it on the menu they'd work to get you what you wanted. We had a great time despite the cold temps. I want to thank Bruce Buttrick for suggesting the location and being our guide for the weekend. Thanks, Bruce!

This weekend, Feb 6-8, 14 club members will attend the Easter Seals Ride-In at the T&C in Gorham, NH. It should be a great time for all with Easter Seals Camp Sno-Mo being the biggest benefactor. The Ride-In committee has worked hard to create a new list of events for the weekend and they believe it will be the best Ride-In yet! Combine that with all the cold/snow, the great riding, and the weekend events, it should be awesome for sure!

Be sure to check our calendar for future events and rides so as not to miss out on anything!

I look forward to seeing you at our next club meeting on the 12th @ 7:00 pm at the Goffstown Rec Center.

Be sure to get out and enjoy the snow but, "PLEASE" be safe and respect land owner's property while doing it!

Your President,
Al Lambert
