## Letter from the President

I don't know what to make of this season!! As I'm writing this letter it's over 40 degrees and raining.... I know that even during our best winters we get rain, but we usually have snow covered ground by now!

Our first club trip up north during reciprocity weekend was a bust. A few went up anyway, but were disappointed. I can't imagine that there'll be any riding in Gorham for the Easter Seals Ride In either! To show how weird this season is, it was such a pleasant day that I drove my motorcycle to Naults for a recall service on January 31st. That just ain't right!

I know that other than complaining about it, there's nothing we can do about the weather. But, I'm at a point where I'd like Mother Nature to just pick a season!!!! If we're not going to be able to make use of our sleds, as we should be doing at this time, then let's get back to spring/summer mode so we can enjoy our motorcycles, ATV's,

boats or whatever your non winter outdoor activity is because this "limbo" we're in right now is a drag! Just saying....

Topics of discussion at the January County Meeting were the Ride In and the future of the Snowmobiling Youth Group in the state. As to the first, this year's "County Basket" is a gardening theme. Linda has been working on gathering items for the basket for our club donation and has found some great items for it! No small task since this is not a good time of year to find items for gardening! I know she has put a great deal of time into looking for these items and I want to acknowledge and thank her for doing this for the club. Thank you, Linda!

The Youth Group is having a difficult time getting roots! Part of the issue seems to be with finding adults to oversee and coordinate the groups as well as deciding on and understanding what the purpose of this group is and what direction it should go in. It was agreed that more needs to be done to draft up a directive of purpose and its goals so that everyone has a better understanding of its mission. It is still "work in progress" so I'll keep you informed as progress is made.

### In This Issue:

- *Where's the Snow?*  
*Anyone know a good snow dance?*
- *Even if you aren't able to snowmobile, please consider attending & supporting the Easter Seals Ride In Feb 5-7. All money raised at this fun-filled event goes toward the children and adults with disabilities that attend Camp Sno-Mo.*

### **Our next Club Meeting**

**is Monday,**

**Feb 8 at 7:00 pm**

**At the Goffstown**

**Rec Center**

With or without snow, the Ride In will happen this weekend and even if you don't bring up your sleds, you may want to head up there for the day and check out the great activities going on. There are free meals, auctions, raffles, comedy night, and so much more. If you bought a Super Raffle Ticket you just may get a call Sunday saying you're a winner. Good Luck! I feel confident speaking for the club when I say we wish the Ride In committee great success with this event since all the money raised goes directly to helping children and young adults with severe disabilities attend Camp Sno-Mo free of charge!

That's all I have for now since there's no telling what the future holds for us and just what we'll be able to do regarding future rides. Keep checking your emails for updates and keep your fingers crossed!

I hope to see you at our next meeting on February 8th 7:00 pm at the Rec Center.

Your President, Al Lambert
