President's Message

I hope that everyone had a wonderful Christmas and a very happy New Year! As I write my letter it is finally snowing and the ground is actually white for the first time this season! Let's hope that it lasts and that we start getting some of the snow that Denver keeps receiving!

The December meeting/Christmas party was a fun time (as it always is) with some interesting gifts once again! As promised, the meeting was kept short so that more time could be spent eating, chatting and exchanging gifts in the Yankee Swap. Thank you to everyone for the food and desserts that you brought for this event. It was all great!

We had a slightly smaller turnout this year for the Bowl-A-Thon but were still able to raise \$610.00 for Camp Sno-Mo! Great job bowlers! Congratulations to Ed Labore for winning the ham this year in the orange pin drawing! "Hope you enjoyed it Ed" and thank you for partaking in the event once again. Thank you also to Kathy Poole for chairing this fun event for the entire family!

We need to know if you'll be joining in on the adult weekend ASAP! Lee needs to get the reservations to the Cabot Inn shortly after the January 8th meeting. So, if you're not going to be able to make the meeting but plan on attending the adult weekend, let me (or someone that you know will be at the meeting) know so that you're sure to

have a room that weekend.

That's it for now! Keep your fingers crossed for more snow in the coming weeks and hope to see you at the January 8th meeting.

Your President,
Albert Lambert

B.S. from Bill

Hello all,

Thankfully we finally saw our first real snowfall down here in the Southern part of New Hampshire. OK, so it was only an inch here in Manchester, but it is snow. Hopefully the mountains are seeing a bit more. As of this date I personally have not been out on the trails yet. Actually, I am ashamed to say I haven't even registered my sled yet. It's been a lackluster December, for the second year in a row, but here's hoping the rest of the winter has good snowfall.

On December 3rd, we held our annual Bowl-A-Thon to benefit Easter Seals. I was unable to attend so I have not had a chance to get the numbers, but the preliminary total was very nice. Thank you again to all who donated to the cause. It was probably a good thing I wasn't a bowler this year. Those orange pins were quaking in their "shoes" last year. I know they were glad not to see me. (I know, that's a bit of an exaggeration, but hey, I'm the one

writing this.) On the other hand, the gutters were probably lonely without me.

On the 11th we held our annual Christmas party and Yankee Swap. Let's just say that most of the gifts are not things we should talk about in public! Really though, we had a fun time and most of us did get something the kids can see. As for me, I got that telescope and let me tell you, my neighbors are kinky! Paul G., I don't want to know where or even if you installed that light switch. Pat and Deb, have you sobered up yet from all that Capt. Morgan's? To the Galetta's I hope that frog is keeping you company at night. Cathy Brown, I'd say enjoy your chocolate, but I know you already did. Finally, as for Flashing Freddie's friend, Big Fred, I "can't wait" to see them next year.

No more BS for now,
Bill
