January 2012

Letter from the President

I hope that everyone had a wonderful Christmas and a very Happy New Year with wishes for lots of snow in 2012. With temps still getting into the 40's and the grass still green, it's difficult to tell which season we're in right now! With any luck, by the time you get to read this, there will be snow on the ground.

We had a great turnout for our meeting/Christmas party (as usual). I want to thank everyone that attended for the delicious foods they brought in for the Pot Luck supper. The gifts for the Yankee Swap were as funny as ever, with some of our old time favorites returning to be swapped for yet another year. Who got #1 you ask? Of course, it was none other than Dwayne! He even won the club raffle!!

Our club will be conducting its annual Snowmobile Safety Course this Saturday, Jan 7th at the Goffstown Rec Center for anyone turning 12 or older this snowmobile season. If you have a child or know of someone that you think might like to take the class call Jeff Filleul ASAP (529-2129) to sign up for the class. FYI, anyone operating a sled in the state of Vermont that was born after 1983 must possess an OHRV safety class certificate even if you have a valid driver's license!

So if you're thinking of riding in Vermont be sure to get a certificate before you do. There is an online course available at the VAST website if you don't have time to take a class locally.

A location hasn't been set yet for the January 27th Family Weekend but we will be doing so very shortly! Snow permitting, we have a local club ride set for the 14th followed by an adult weekend in Errol January 20-22nd. So, be sure to check the club's calendar for all upcoming rides so you don't miss out on anything!

We are still in need of a Publicity Director if anyone would be so kind as to accept the position. If you have any questions as to what the position entails give me a call and I'll be happy to fill you in 391-2597.

Many thanks to Linda (our secretary) for writing the articles for our club that are put into each edition of the Sno Traveler. These are usually done by the Publicity Director. Thank you, Linda!

That's all for now! Keep your fingers crossed for snow and be sure to have your sleds prepped and ready to go so that when it does arrive, you can ride!

Your President,
Al Lambert
