## Letter from the President

I hope that everyone had a wonderful Christmas and that the new year has been good to you so far! Linda ended last year winning the \$300.00 gas card from the NHTSA raffle so hopefully her luck will run into 2013! I believe we all need all the luck we can get for the foreseeable future.

On the theme of luck, looks like winter may be off to a good start. Linda, Kelsea and I made it up to Lancaster and Gorham this past weekend and found some great riding in the Jericho park area as well as around Gorham. The trail out of the Cabot Inn was a little thin but by no means terrible. We had a good time with Kelsea and got to test out the sleds before the adult weekend. It's always nice to work out any bugs before a big weekend. Let's hope the snow keeps coming to make up for last year!

Our club held a safety class January 5th at the Rec Center which brought in 23 young riders and 13 adults. It was a great class and the day really flew by. Everyone seemed to enjoy the class and were grateful to us for putting it on. Another great job by Jeff Filleul (our Chief Instructor) Bud Gordon and Lee Forcier and as always Linda for handling all the paperwork. She does such a great job filling in all the cards and certificates! Thank you all for such a valuable service to area snowmobilers.

Keeping our fingers crossed that the snow keeps coming, our weekend in Errol should be awesome as well as our other weekends that will follow. If you are interested in joining in on any of our future rides let Lee Forcier know (#497-4429) ASAP! Since snow is falling rooms are getting taken quickly.

### Trail Maintenance

Steve & I are working on the trail conditions and have put up a lot of signs as some were missing. We are hoping for a bountiful snowy season and are ready for grooming!

Daryl Raskett

### Needed donations for Liberty House

- Men's warm winter boots size 7-13, new or almost new
- Winter socks
- Financial donation

The Liberty House is a non-profit transition home for homeless veterans in Manchester. It houses about 12 homeless veterans at any given time and assists them in transitioning into society through counseling, teaching life skills, assisting with job

searches, and when ready, helping them find and furnish an apartment. The Liberty House also helps feed and clothe about another 100 homeless veterans that still live on the streets today. This organization receives absolutely NO local, state or federal funding. They rely totally on private donations. Our veterans deserve so much more than life on the streets. We are free because of them! Please help them.

If you can help, please bring your donation to our next meeting or call Linda Lambert 497-4023 or [iwont4gt@gmail.com](mailto:iwont4gt@gmail.com) and I'll make arrangements to pick up your donation.
