President's Message

The family outing/antique race at Jim & Sue Dow's property had a great turnout and equally good weather. I'd like to thank Daryl for coordinating this event with Jim & Sue and Dick & Kathy Poole for cooking and serving the food with additional help from Russ & Cathy Brown. Everyone was having a good time and we were very fortunate to have gotten the snow that we did just prior to the event. The only issue was trying to escape the smoke from the camp fire once again in the cooking area. Smoke seems to always travel in the direction that you least want it to! To all involved in this event, Thank you!

With the exception of breakfast Saturday morning (which was a total disaster) the family weekend at the Cabot Inn offered some great riding with plenty of snow! This was amazing when you consider the winter that we had been having! There were a few miscommunications (as there always seems to be) regarding who was riding in which group. Luckily, it all worked out in the end and I believe that everyone was happy with how the weekend went and the quality of the riding in the area. We'll have to put this event on the calendar again next season for sure!

The snow is great right now, but as we all know that can change very quickly and most probably won't be around much longer! Daryl and Todd

have been out working the trails that we have left and say they are in good shape. So get out there and enjoy the snow while you can because it's a long wait until next season!

Our next big event will be the Pot Luck Supper at Dick & Kathy Poole's house on April 14th. If you won't be able to attend the March meeting, but are planning on attending the supper, call the Poole's at 529-3385 or e-mail at r_kpoole@yahoo.com and let them know that you'll be attending and what you'll be bringing with you so that they will know what to plan for. Hope to see you there!

We do have a club day ride set for March 11th. You'll need to check with Daryl to see if it's still on and what the arrangements will be. You can reach Daryl @ dsraskett@comcast.net or 529-5813.

Our March meeting is also the time to start the process of selecting a slate of officers for next year. If you would like to run for a position in the club, let Laurie Galletta, know so that she can put your name on the ballot. Her e-mail is: l_galletta@comcast.net. Positions are: President, Vice President, Secretary, Treasurer, Social Director, Fundraiser, Membership, Publicity, and Trail Master. Any member in good standing can run for a position. New blood and ideas are always welcomed and encouraged! Voting will take place at the May 5th meeting/banquet. We'll have more info on that in next month's newsletter. If you are interested in attending the banquet let Linda Lambert know (497-4023 or iwont4gt@verizon.net) so that she will have the total number of members attending to give to the restaurant.

The last meeting of the season is our annual May banquet which will be on May 5th. That's all for now! Hope that you're enjoying the snow that has finally come our way and as always, ride safely!

Your President,
Albert Lambert

B.S. from Bill

Hi all,

Well, the season is about at an end and for me it never started. The good news is that I now have a job and thus the money should be coming in again. So, riding next year should be financially feasible. Now all we need is the snow to cooperate. I know there was some up North and several of you did venture up but I would be willing to bet that most of us didn't ride or only rode just a few miles. This global warming thing sucks!

I was not feeling well and did not make it to the family day but I have heard that it was a good time. The turnout was great and the weather was wonderful. I wish I had the results of the races to report but I guess you'll have to ask Daryl yourself for that. The only

drawback was again the smoke of the fire seemed to be drawn right towards the cooking area. Next year we may have to hire a taxi to get to the food because from what I hear the food will be NOWHERE close to the fire.

A litte note from Sally:

"I just wanted to thank Lee, Cheryl, Adam and Julie for their patience while taking Tommy on his first big adventure (to Santa's house) of snowmobiling. For a 4 year old, only one episode of tears is not bad, but we didn't feel rushed or pressured and that was very much appreciated. He still talks about the warm "pillows". And to those of you who left us behind on Sunday (and you know who you are), NEENER NEENER NEENER. We had a FABULOUS ride, put on 50+ more miles and found ourselves on freshly groomed trails most of the time. And, deny it all you want, but Sunday was a beautiful day and I KNOW you missed my tour guiding expertise. That'll teach ya to leave without us!" ;)

No more BS for now,

Bill Lofgren
