Letter from the President

Wow! What a winter, or should I say lack thereof! We have had record cold, record warm and of course record lack of snow! I know there are a few of you that did get out once or twice this season but the greater percentage of us never took our sleds off the trailers or even registered them.

At our last county meeting the topic was the loss of revenues from registrations and how it was going to affect the Grant & Aid program for this season and next. The registrations at that time were less than half of a regular season and given that we didn't get any additional snow I'm sure those numbers didn't change!

Since there isn't anything we can do but complain about what Mother Nature gives us, let's hope this season is a fluke and that next season will be a much better one! I have received notice from the NHSA office that online memberships will be available starting March 11th. It has taken

much longer than expected to work out the details but hopefully everything will work going forward. It is going to be very helpful for everyone moving forward but like all new things, it won't be without some glitches.

Despite the lack of a winter and all club weekends up north cancelled, we still have our Pot Luck Supper coming up on March 26th and the May banquet which will give us an opportunity to get together and complain about the season we didn't have!

**Our next Club Meeting
is Monday,
March 14 at 7:00 pm
At the Goffstown
Rec Center**

March 2016

In This Issue:

- Online memberships available starting March 11
- Please join us at the Pot Luck Supper coming up on March 26th
- All positions available on the board for the next snowmobile season (2016-2017)
- Voting to take place at the May Banquet
- 2015-2016 season calendar

As is every year, March is the time we need to think about election of officers for next season. All positions are available to anyone that's a member in good standings. Most of our Directors have held their positions for many, many years and would welcome a replacement. New directors can bring new thoughts and ideas to help move the club forward in an ever changing world. Please give it some thought since most of us aren't getting any younger!!!

That's all for now! Don't forget to prep your sled for the summer storage even if you didn't ride this season. It will only help you next season when you get ready to ride. I look forward to seeing you at our Monday night (March 14) meeting @ 7:00 pm at the Rec Center.

Your President, Al Lambert
