## Letter from the President

It is with deepest sorrow that I tell you of the recent passing of Daryl Raskett's dad. Daryl's dad was a proud Marine veteran and a great man who adored his family, friends and talking to everyone. He will be greatly missed. On behalf of our club, Linda and I extend our deepest sympathy and sincerest condolences to the Raskett family for their loss.

It appears that yet again this year, Mother Nature is not going to give us a good winter for snowmobiling! Here in the south our season lasted for about two weeks. We have had an ongoing issue with warm temps, rain, and unsafe ice throughout the state. Riding in the Northern part of the state has been good once in the upper elevations. It's said that it's not over till it's over, but it looks like the end is closer than we'd like.

I do hope that you were able to get out a few times this season to knock off the cobwebs on your sled after last year.

We spent the last weekend of February in Errol and riding was poor to excellent. It rained the first day, and Saturday it was very warm so trails were bumpy and sloppy. But, Sunday's temps made it a perfect day to ride and the trails were excellent.

Hopefully, we'll get one more good ride in this weekend (March 10-12th) in Errol for our last club trip. We're keeping our fingers crossed for a great weekend!

With the season coming to an end, that means we need to start preparing for a new slate of officers/board of directors for next year's season. If you are interested in being on the board of directors or would like more info, please attend our next meeting or contact Al Lambert (391-2597) or Linda Lambert (497-4023).

Well, that's all for now! I hope you're able to attend our next meeting on the 13th of March, 7:00 pm at the Rec Center.

Your President,  
Al Lambert

**Our next Club Meeting  
is Monday,  
March 13 at 7:00 pm
