Letter from the President

I wish to thank club members that helped out with our cook shack at the Antique Snowmobile Museum Show at Bear Brook State Park. We were worried that we'd be short on help when we heard that our lead cook, Jeff Filleul, slipped on ice and brought to the ER for a possible concussion the night before the event. Luckily he was OK but ordered to rest. Thanks to a last minute email plea for help we ended up with the help needed to make the event work. Thanks to members Russ Brown, Dwayne Dorval, Guy Gordon, Bruce and John Buttrick along with Linda and I, all went well.

Buddy certainly had his hands full with the Museum and the attendees that brought their antiques to show and ride for the event. There was a great turnout and it was very fortunate that we had snow the night before since the ground was mostly bare the day before! Everyone seemed to have a good time and we eventually ran out of food! If asked, we'll most likely do this again next year so keep it in mind!

Once again, our club weekend in Colebrook didn't go well snow or weather wise! When we got into Colebrook Friday it was bare ground and it rained all night. By midday Saturday, a few did find some snow towards Errol for riding. But with the bad weather called for early Sunday morning, we all decided to head home Saturday afternoon. We're keeping our fingers crossed that our weekend in Errol will go better and with the snow called for this week it's looking good!

In This Issue:

- *The Open House at Bear Brook State Park Museum was a success!*
- *The Uncanoonuc Mountaineers have been presented with awards for placing 2nd in the county, and 3rd in state for contributions toward Easter Seals Camp Sno-Mo!*
- *Club Family Weekend this weekend, March 9-11.*

**Our next Club Meeting
is Monday,
March 12 at 7:00 pm
At the Goffstown
Rec Center**

At this month's county meeting our club was presented with an award for placing second in county for our contribution to Easter Seals Camp Sno-Mo. We also received a plaque for 3rd place in statewide. This was once again made possible due to the generous contribution made by the Alie family once again to Easter Seals Camp Sno-Mo through our club. Our sincere thanks to Ron and Sherry for thinking of us when making their contribution to help Camp Sno-Mo.

We'll see what this latest storm brings us for snow and with any luck we may be able to get out on southern trails one last time this year. You never know!

Hope to see you at our next meeting on the 12th at the Rec Center 7:00 pm.

Your President,
Albert Lambert
