President's Message

I hope that our recent flooding finds you all safe and with little to no damage to personal property. I'm not sure what is meant by the "100 year storm" anymore! Unless I'm mistaken, last year's rains were referred to as a "100 year storm"! The way I see it, we should feel safe for the next 300 years from any heavy rains. Ya----Right!!!

The Pot Luck Supper was, once again, a great time at Dick and Kathy Poole's house. There was lots of food and deserts to choose from and plenty of stories about the current events (flooding) in the area! I'd like to thank Dick & Kathy for hosting this event which was quite a task since just the weekend before was their daughter's wedding! Congratulations to Kim & Nate. We wish them both all the best in their future together and a safe return for Kim from her deployment overseas! You'll be in our thoughts always!

Good news, we found a candidate (victim) to fill the open slot in the Board of Directors just in time for the May Banquet. Sally Raskett agreed to be social director and Linda will take back the position of secretary. Thank you both very much! With that, we'll have a full board for next season! Thank you again, Laurie, for serving the past two years as club secretary! P.S. Daryl claimed that it was due to the alcohol he had been pumping into Sally all day that made her agree to the position. All I can say is--- Good job Daryl!

The May Banquet is at the Hillview Restaurant on May 5th. It is the final business meeting of the season. But there's always something going on throughout the summer! There will be the ongoing work for the Poker Run to benefit Camp Sno-Mo and don't forget the Summer Outing at our house July 15th! We will need your help for the Poker Run so please get back to me (or Dave McGlaufflin racersuperdave@comcast.net) so that I (we) can keep you informed as to what and when things will be happening!

With that, I'd like to thank all those

who helped out this season with the many fundraising activities and other club functions that, despite the late start to snowmobiling, made for another great year in regard to our contribution to the kids of Camp Sno-Mo! Thank you all and enjoy your summer!

Your President,
Albert Lambert

B.S. from Bill

Hi all,

At this time last year I was writing for this column and reviewing my life and my feelings on turning 40. My basic conclusion was that despite all that has happened to me, my life was pretty good. Believe me, I will not be ruminating about turning 41. Shortly after that column was printed I lost my job (that same week) and it took 10 months and near bankruptcy before I was back working. I know the two are technically not related, but why push my luck. Here's to growing old gracefully.

Eric Poole passed his driving test. Congratulations, but I for one will not be on the road anywhere near Weare for at least six months. For those of you who didn't make the Pot Luck at the Poole's, Kathy embarrassed her son. Since you may have missed it, I am here to carry on for her. As you know, the license number on a NH's license starts with the birth month, which for Eric is Feb. Then your last name first and last initial and first name initial. For Eric, that is.....drum roll please..... 02PEE. Don't be surprised if you see Eric's car off to the side of the road and him in the woods. He obviously will be going quite often now

that he is driving.

As the snow melts (HA HA just had to throw that in since there was never enough down this way to get the sleds out) we head to the warm weather season. To that extent, those of us that ride on two wheels look forward to a wonderful riding season. We also look forward to this year's Thunder Run. We'll be starting at Excel Powersports, hitting Concord Motorcycle Shop and ending at the Rec Center in Goffstown. There will be a couple of more stops of course. Let's all get psyched and make this a great event.

No more BS for now, until next season,

Bill Lofgren
