## Letter from the President

I would like to thank Lee and Cheryl for once again hosting the Pot Luck Dinner in their home and for being such wonderful hosts for the evening. We had a great variety of main dishes as well as desserts and everything was delicious! I think that it's safe to say that everyone left feeling that they had overeaten but enjoyed every bit! It was a great evening full of good food, great company and lots of laughs!

The season has once again come to an end and we now have to wait until next fall to think about getting back onto our sleds. It seems to take forever before we're back on our sleds again, but that's why some of us have motorcycles to help get us through the summer and fall months until winter returns! I really do enjoy the non-snowmobiling months when I'm on my bike. Lots of snow for winter and lots of sun for summer and fall make for good times. We

had another good winter of snow so here's hoping for a good seasons of motorcycling. I'll keep my fingers crossed for sure! If you have a motorcycle and would be interested in getting together over the summer for a club ride give me a call or an email and I'll let you know when we're putting one together.

I'd like to thank the Board of Directors for their service and dedication to the club! It is not possible for us to have this club without individuals stepping up to fill the necessary positions and seeing to the task that each involves. Lee has been our treasurer for a long time as well as holding other positions before that. Linda, currently still secretary, has filled many positions throughout her membership with the club as well. VP Sally was elected to serve on the board before she was even officially a member! Daryl, our Trail Administrator, has held that position for almost as long as he has been a member and good luck to anyone trying to take it from him! It would be tough to find someone to do a better job than Daryl has done! Dave has

been Fundraiser for many years as well and I can't imagine where we'd be without his gift for getting money or donations from businesses the way he does. Bill has been Publicity for several years now and has a great knack for story telling! Kathy has been a great asset in handling memberships and seeing that everything gets to the NHSA office as well as making sure the office gets everything entered correctly. Cheryl is our Social Director and has been doing a great job of attending to meeting snacks and drinks as well as planning our banquet and other events. Thank you all very much for what you do for the club and making me look good all these years!

We hope that you'll be able to join us at our Summer Outing on July 15. More information will be sent out as we get closer to the date.

## B.S. From Bill

Hi all,

As the season ends and the snow melts we welcome the warm weather and look forward to fun in the sun. I am already riding the Harley and working on the yard. Yet I am antsy for next years riding. Since I didn't get to ride this year I missed it so much. I'm hoping my health and finances allow for riding in 2010.

I would like to thank Lee and Cheryl again for hosting the pot luck dinner. Sooooo many good dishes and desserts. I definitely didn't go home hungry. Despite Wrangler running away for a little while, he was just as adorable as last year, just bigger and more crazy. I still would take him home if I could.

Other than the few events I did make, I feel like a kitten up a tree - I am stuck because I have nothing to write about for the year. I wasn't involved with the riding or the day on the lake or just about anything. Sure, I could recap the meetings, but this column is not supposed to put you to sleep. Other than the Pot Luck, I was at the Flea Market and we had a good time and turnout this year but that is old news. But do not fear, I have a song for you about what I didn't do.

### Sung to Barry Manilow's "Can't Smile Without You"

*You know I can't write about you  
I can't write about you  
I can't brag and I can't joke  
I'm finding it hard to pen anything  
Usually I ride when you ride  
I trailer when you trailer  
If you only knew what I didn't do  
I just can't write about you*

*My knee didn't work all winter long  
And left me in dismay  
Who would have believed that I was not on the team  
When the snow fell every other day*

*You know I can't write about you  
I can't write about you  
I can't brag and I can't joke  
I'm finding it hard to pen anything  
Usually I ride when you ride  
I trailer when you trailer  
If you only knew what I didn't do  
I just can't write about you  
I just can't write*

*Now some people say happiness is found on a sled  
Well, I'm finding sad thoughts in my head*

*You know I can't write about you  
I can't write about you  
I can't brag and I can't joke  
I'm finding it hard to pen anything  
Usually I ride when you ride  
I trailer when you trailer  
If you only knew what I didn't do  
I just can't write about you*

No more BS for now, until next season ,
