Letter from the President

As another season comes to an end, I want to take this time to thank our board of directors for giving of your time once again. Thank you, too, to all the members who helped our club accomplish all that it did. I know how hard it is to find the time to volunteer when you work and have a family. But, know that it is greatly appreciated and we couldn't function as a club without your support! Thank you all!

Our May Banquet will be our final get together until September. At our banquet, we will have a brief meeting, have elections of officers, and the remainder of the evening is to socialize and have fun.

It doesn't seem as though we'll be seeing a Tri State registration for next season. :(Believe it or not, it's our state that is causing the delay! It appears that those at the state house still don't care or understand how significantly

snowmobiling positively affects NH's economy.

Add to that, they want to attach other unrelated bills that aren't wanted to the Tri State Registration bill, hence the bill will most likely be defeated. So, like so many things that seem to be a no brainer, the legislators will find a way to muck things up for snowmobilers, businesses, and the state's economy!

We had a great year for riding and four great weekends up North as well. The great thing about this past season was that the riding was great throughout the state and it lasted much longer than usual! You didn't need to go up North to find great riding and that doesn't happen too often! Once Daryl was able to get out to groom he kept on it and there was great riding up on the mountain. Thanks, Daryl for your dedication and endless work on the trails! Let's hope that winters are getting back to what the used to be and that this season wasn't just a fluke!

I hope that you all have a wonderful summer. I look forward to seeing you again in the fall.

Your President,
Al Lambert
