Letter from the President

What a great day we had at the HK Power Sports Open House on the 30th! This was a new event for us and we really didn't know what to expect when preparing for it.

Well, it was a gorgeous day and for a first time event it went very well. We needed to get more food at one point, (we ran out of burgers) but other than that everything went very well.

I'm not sure what the final numbers are for what we made, but I'm confident that we did well since HK paid for everything we needed and we reaped a profit! A big **"THANK YOU"** to Bud Gordon for working with HK and making this event possible. Awesome job Bud!

I'd like to also thank Jeff Filleul and Trevor for manning the grill and doing all the cooking. Also, many thanks to Guy Gordon and Cathy Brown for manning the register and taking orders all day! Great job everyone!

We also had several other members to help out. My thanks to them too! Hopefully we'll all get to do it again next year!

Several of us got the opportunity to test drive different motorcycles and even the slingshot!!!

This month's county meeting included a changing of the guard! Bill Bolton is stepping down as County Director to become VP of NHSA and his current assistant Sheila Beaulieu was voted in to replace him as County Director. Bill has done a great job as our County Director and I have no doubt that he'll do the same as VP of NHSA.

We have our final meeting and banquet coming up this Saturday at the Pasta Loft in Milford and I hope you're able to make it. We'll be closing out the season while enjoying Italian food. Sounds like a good night to me! Enjoy the summer and be safe!

Your President,
Al Lambert
