Thank you President Al!

The club wishes to sincerely thank our current and long time president (over 15 years), for his dedicated service to our club and for his willingness to stay on as President because no one else will take the job. Without Al, the Uncanoonuc Mountaineers would not have been able to remain a club. So, many, many thanks to Al Lambert!

Letter from the President

I would like to close this season by expressing my sincere gratitude to my fellow board members for giving of their time to insure the success of the club each season. They, along with our active members and chairpersons, make what we do possible and allow us to help others with the donations and scholarship(s) we give out each year. It's not always easy to find extra time to give any organization with the ever busy lives we live. But, I do believe that those who receive a donation or scholarship from us are truly grateful for our assistance.

Our May meeting/banquet was held at Molly Stark's Tavern in New Boston on May 19th. Fun and good food was had by all. At our brief meeting, the board of directors was voted on (same board as last season except that we are again missing a publicity director), scholarship winners were announced, and awards were given out.

Anyone interested in being the publicity director should contact Linda Lambert 391-2599. Again, thank you for your willingness to help our club in whatever way you did. Have a safe, fun summer and I look forward to seeing you at our first meeting of the 2017-18 season on September 11th, 7 PM at the Parks and Rec building on Mast Rd in Goffstown.

Your President, Albert Lambert
