Letter from the President

What a great day we had for this year's Flea Market. It was a perfect day with plenty of sunshine and a nice cool feel in the air to put people in the mood for the coming winter season. We had a great turnout of sellers as well as those looking to buy. The cook tent was very busy and we were all very happy that Jeff Filleul was available to work his grill and fryer as well as making his chili for the event. Thanks, Jeff! Of course, the event is what it is because of everything that Bud Gordon has put into the show side of the event which many of the walk-ins enjoy. Great job, Buddy! I would like to also thank all our members who came out to help that day. We had a great showing of members to help with the setup as well as working the event for the day. A "BIG" thanks to Erica & Zack Gordon for the awesome job they did in the cook tent. Erica was on the cash register and Zack was busy with the fryer as well as jumping back and forth with food orders and drinks. Thank you both very much for helping out and for being such great "next

generation" mountaineers!

The club was also involved with the Nault's Honda open house October 30th. Rock 101 was there giving away a sled and a 4 wheeler. They had a great showing for the event and I'd like to thank my wife, Linda, and Russ & Cathy Brown for helping out at this event.

Our next fundraising event is the Bowl-A-Thon at Kings Lanes on November 21st. Bowling will start at 9:00am and each bowler with pledges of \$25.00 or more will have their bowling fees paid for by the club. This is a great event for the younger members of the club to get involved! I hope you're able to make it!

To follow-up on a couple of items from last month, the Balsam's is now taking reservations for the Easter Seals Ride-In weekend February 4-6. The reciprocity weekend between NH and Vermont is January 21st, 22nd and 23rd. This is a done deal! Remember, you must have insurance on your sled and the proof of that insurance on you to ride in Vermont! If stopped without insurance it's a \$600.00 fine!

If anyone is interested, Cliff Russell, our Hillsborough County Director, is looking for a new assistant. You can call Cliff at 547-7878 to get more info as to what the job entails.

Fundraising

Ski-Doo One Million Dollar Club Support Program 2010!

BRP and its Ski-Doo dealers are again offering a very easy way for snowmobile clubs to earn money. They will donate \$10 to our club for each club member that submits a completed certificate to our local Ski-Doo dealership before November 15, 2010. We have included a copy of the certificate with this month's copy of the Echoes. Please fill one out for each person in your family that is of legal age to operate a snowmobile and drop it off at a local Ski-Doo Dealership (HK Powersports in Hooksett or SouheganValley Motorsports in Milford or Bickfords in Epsom). We will have plenty of certificates available at the meeting for you to fill out. This only takes a couple of minutes and the trail fund will be able to

receive some much needed funds.

120 Club Raffle!

Our first drawings will again begin at the December Meeting. Please see me for some tickets to sell to your family, friends and co-workers. It is never too early to start selling. Tickets are \$20 for 20 weekly chances to win \$20 plus during the April meeting we will give away larger prizes. All proceeds go to the Uncanoonuc Mountaineers Scholarship program!

NHSA Super Raffle! We will have the NHSA Raffle tickets available. Prizes this year include a 2011 Polaris 600 Pro R, 6 Day/5 Night Midweek Package to the Tall Timber Lodge & Rainbow Grill in Pittsburg NH, a \$1000 Irving Gas Card, and a \$500 Irving Gas Card. Tickets are still \$2.00 each or 3 for \$5.00. The club receives 50% of the total amount sold. Drawing will be held again at the Easter Seals Ride-in on February 6, 2011.

If anyone has any ideas for additional fundraising, please feel free to email me at racersuperdave@comcast.net or call me at (603) 487-3938 or (603) 315-8115.

BS from Bill

Hi all,

I sit here a little confused. As you all know this column usually contains some grumblings or complaints (of course mixed with fun and tongue in cheek). Last year it was a song about the rain at the Flea Market and other times it has been laments about my physical limitations, injuries or problems. But today I have nothing.

The Flea Market was a big success this year. For late October we couldn't have asked for better weather. The turnout was great and I was in the food tent and can vouch that it was HOPPING! I have no figures, but I do know that Al and Bud were not unhappy with a mid-day check of the register tape.

BEEP! BEEP! BEEP! News flash, I actually have a complaint: I was dead tired. I completely forgot that I couldn't sleep the night before and only had about 4 hours sleep. I didn't get to bed until close to two and woke up before 6am. After a long day of work, during clean up I leaned against Al's trailer for a quick rest and fell asleep. I was sent home after that by Linda.

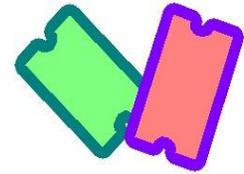

My second piece of good news is that the weather seems to be cooperating and indicating a "good" winter coming. The temperature has been quite cool for a couple of weeks now, snow has been reported in the mountains and it feels like winter is just around the corner. That was a lot unlike last year at Halloween when I was able to sit outside and give out candy in shorts and a tee shirt. Yesterday I froze my but off! YEAH! Reminded me of my childhood when we used to Uncanoonuc Mountaineers

have to figure out how to fit our costume over a snow jacket.

Have a wonderful Thanksgiving!

No more BS for now,

Bill Lofgren
