## Letter from the President

What happened last month? Almost 2' of snow in October..... "That's New England for you" now has an even more incredible meaning after that record breaking snow storm. I hope that everyone got through it OK and that you weren't without power for too long.

If you missed the Flea Market this year you missed a good one! The weather was perfect for putting people in the mood to think snow and winter fun. We had a great turnout for vintage show as well as vendors looking to sell items. There was a steady flow of people most of the day which kept the cook shack busy. The new club grill got a thorough break in and worked out very well. A big **THANK YOU** to Jeff Filleul for once again bringing his cooking equipment and tending to those awesome steak and sausage grinders! **THANK YOU**, to all who helped with set up, cooking, helping in the cook shack, parking vendors and public and tear down and clean up at the end of the day! This event would not be what it is if not for the time, effort and

planning that Bud Gordon puts into it. **THANK YOU**, Bud, for another successful event that so many look forward to every year!

Don't forget to check out the club calendar of events for upcoming events and weekends up North. If you are interested in joining in for any of the trips please let someone know ASAP because rooms are going fast at all locations in snow country.

We are still in need of a Publicity Director for the club! This is a board position and really needs someone to fill the slot so that our board is complete. If you'd like to give it a shot, we'd love to have you! Please contact me if you're interested or would like more info on the position.
