Letter from the President

What a great day we had for the Flea Market this year! We couldn't have asked for better weather which is so vital to the success of this event. We had a good number of people selling items and also a great showing for the vintage show. I want to thank all our club members who came out to help run this event. Thank you to our younger members Erica Gordon, Trevor Filleul and Sarah McGlauffin for their help in the cook shack. Once again Buddy did a spectacular job putting this event together. All the time he puts into this event surely shows why it's an annual hit. Thanks, Bud!

Due to the storm there wasn't a county meeting this month so I have nothing to report to you. I will just say that Cliff Russell, our County Director, is still in need of a replacement so that he can

attend to his serious health issues. If you think that you are interested in this position let me know. The Assistant County Director position is also vacant.

As I write this letter we are getting our first snow of the season which reminds me of just how fast time flies. We are planning several rides this season up North as you can see on our club calendar. If you are interested in joining us on any of these trips, let us know so that we can be sure to have enough rooms for everyone.

I'll keep this short and just say that I hope you're able to make our next meeting on Monday, Nov. 12th at 7 pm. Happy Thanksgiving to all of you.

Your President,
Al Lambert

Publicity Director Needed ASAP

Our club is still without much-needed representation on our board. We are in **immediate** need of a Publicity Director.

Our board members who are fully involved in other positions could really use your help. If you are able to spare some time and help out in this position we would greatly appreciate it!

Needed donations for Liberty House

- Men's warm winter boots size 7-13, new or almost new
- Winter socks
- Financial donation

The Liberty House is a non-profit transition home for homeless veterans in Manchester. It houses about 12 homeless veterans at any given time and assists them in transitioning into society through counseling, teaching life skills, assisting with job searches, and when ready, helping them find and furnish an apartment. The Liberty House also helps feed and clothe about another 100 homeless veterans that still live on the streets today. This organization receives absolutely NO local, state or federal funding. They rely

totally on private donations. Our veterans deserve so much more than life on the streets. We are free because of them! Please help them.

If you can help, please bring your donation to our next meeting or call Linda Lambert 497-4023 or iwont4gt@gmail.com and I'll make arrangements to pick up your donation.
