Letter from the President

With our first meeting of the season behind us, it won't be long before we're hitting the trails once again! We had a great turnout for the first meeting and expectations for another snowy winter seem to be running high. Let's keep our fingers crossed that Mother Nature does her part to make it happen! I wish to thank those who were able to find the time to attend the first meeting and be a part of the planning for the coming season. It takes the membership of a club to make things happen. All are welcome to participate in whatever capacity they're able in order to make the season a success!

Our Annual Flea Market is just around the corner (Oct. 22nd) and we need help in getting ready for this event and on the day of the event. Please give Bud Gordon a call (529-3408) if you are willing to help and he'll let you know what he needs for assistance before and during the event.

Linda and I attended the NHSA Presidents' Night meeting last month. Attendance was high and conditions in NH look

good for the coming season despite Hurricane Irene. Maine fared well with Hurricane Irene but that wasn't the case for VT. They have a large network of trails they can't even get to and they fear that a great deal of the system will be lost forever! If you ride in VT be sure to check beforehand with the local club in the area you are going to be sure that the trails are even there! We wish our neighbors to the west the best of luck in getting as much of the trail system open as possible for the coming season! NHSA also announced that they now have an iPhone App available for 99 cents and an Android App coming soon also for 99 cents.

Also, Fish & Game announced that again this season the last weekend of January (27-29) will be reciprocity weekend with VT and also this season with Maine! This means, for this weekend only, you'll be able to ride your sled in both ME & VT without having to register your sled in either state. You will need a valid NH sticker and VT does require proof of insurance to operate on their trails. If you've been thinking that you'd love to ride in either of these states but didn't want to shell out the money for the registration, this is your chance to do so!

Fundraising

Ski-Doo One Million Dollar Club Support Program 2011!

BRP and its Ski-Doo dealers are again offering a very easy way for snowmobile clubs to earn money. They will donate \$10 to our club for each club member that submits a completed certificate to our local Ski- Doo dealership before November 15, 2011. You must go to: www.ski-doo.com and follow the links for the club support program. Please fill out the form, print it and then bring it to a local

Ski-Doo dealer. (HK Powersports in Hooksett or SouheganValley Motorsports in Milford or Bickfords in Epsom). This only takes a couple of minutes and the trail fund will be able to receive some much needed funds.

120 Club Raffle!

Our first drawings will again begin at the December Meeting. Please see me for some tickets to sell to your family, friends and co-workers. It is never too early to start selling. Tickets are \$20 for 20 weekly chances to win \$20 plus during the April meeting we will give away larger prizes. All proceeds go to the Uncanoonuc Mountaineers Scholarship program!

NHSA Super Raffle!

We have the NHSA Raffle tickets available. Prizes this year include a 2012 Arctic Cat F1100 Sno Pro 50th Anniversary Snowmobile, a \$500, \$300, and \$200 Gas card.
