## Letter from the President

At our first club meeting of the season, we reviewed and discussed this season's calendar of events. Since then some adjustments had to be made to the calendar, so please be sure to check out the new calendar in this issue of the Echoes.

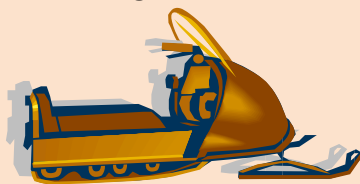

Buddy is getting everything set for the October 26th Flea Market & Antique Show at the Villa Augustina School. Hopefully, the great weather we've been having will hold for us and we'll be blessed with a cool, sunny day. Help is always needed and appreciated to run this event so please come down the day of the event and let someone know if you're available to help out!

The reciprocity weekend between Maine, Vermont and New Hampshire this season will be Friday, January 31 through February 2nd. In previous years it was the last full weekend in January. This year it is a week later. The reason is so that it doesn't conflict with the annual Snodeo Weekend in Maine. If you plan on riding in ME or VT

reciprocity weekend, be sure to be aware of the laws in the states you choose to ride, especially Vermont, to avoid having your weekend spoiled.

One item of interest that NHTSA disclosed at the Presidents' Night meeting was that it looks like a Tri State Registration between NH, ME, & VT may very well be happening soon! As it stands right now, you'll register your sled in one state. If you want to ride in the other 2 states you'll pay additional \$100.00 for a stamp that will allow you to ride in them. Some feel that \$100 is too expensive, but to just register in VT and pay the required fees, it's around \$130 per sled. So, \$100 to register in 2 states is a good deal. I'll keep you posted as I receive updated info.

**Come and join us at the annual Snowmobile Flea Market and Antique Show! Saturday, Oct. 26 Villa Augustina School**

*Please join us and volunteer for an hour, two hours or as long as you'd like!*
