Letter from the President

I know, you're looking at this newsletter wondering how it can already be that time of year again. Where did the summer go? I'm thinking the same thing as I'm writing this letter in disbelief that another summer is behind us. We know it was a hot one, great for pools and AC, neither of which got much of a break. But it's behind us now and time to look forward to getting the sleds out and ready to ride. Here's hoping we get a winter equal in record breaking snowfall as this summer was in high temps!

I hope everyone is doing well and looking forward to the coming season. One good thing that happened over the summer was that Weare was able to finalize a new route out of Clough State Park which will open access to Northern points once again! It was a tough year for Weare when they lost their trail out of the park. Many riders enjoy the great day riding that the Park offers as well as the access it gives to northern points. It's great to hear that they were able to get a new route out and get it ready so

quickly. Awesome job WWW!

Your board of directors met September 4th and we put together a first draft of this year's coming events. Please look it over and if you have any additional thoughts of things we could do this season let us know at the first meeting September 13th. We're always interested in new ideas for club events and would love to hear from you.

As always our Flea Market will be held on October 23rd at the Villa field and Bud Gordon is in need of extra help this year due to his new job. He won't have the time he did in the past to get ready for the event and is asking for help from members. You can email Bud at GORDONBIGBLUE@aol.com to get more info as to what help he needs. Any and all help is welcomed!

Enough for now! I look forward to seeing you at our September 13th meeting, 7:00pm at the Rec Center. Keep those fingers crossed for a superior winter!

Your President,
Albert Lambert

In This Issue:

- *New Trail Leaving Clough State Park*
- *Trail Work to be Done*
- *Flea Market on Oct 23*
- *Scholarship Winner*
- *Summer Family Outing*
- *B.S. from Bill*
- *New Season Calendar!*

Our next meeting is on Monday, September 13 at 7:00 pm at the Rec Center!

Trail Update

Fall bridge work and trail clearing will start soon. Volunteers are greatly appreciated! If you would like to help, please contact me at 529-5813. Thank you!

Daryl Raskett
Trail Administrator

Scholarship Winner

This year 3 applications were received. After careful consideration, Zachary Gordon was chosen by the committee to receive the \$1,000. Congratulations, Zachary!!

Family Outing

The Summer Family Outing was at the Lambert's house on August 14th. The weather was nice, tasty food was prepared by our own president, the stories were great and fun was had by all. Thanks once again to the Lamberts for hosting this fun event! Hope to see you at the Family Outing next year!

B.S. From Bill

Hello all,

According to the "Old

Farmer's Almanac" there will be no mistaking winter this year as it predicts "*Frigid Winter*". For those of you who still have a sled (and can afford to ride) that sounds great. No slushy ponds, snow that falls will stick and stay. Trail snow that doesn't wear away as readily. All good news for you riders!

To the board, I apologize. I feel that I have been remiss this summer. I know there are but 2 or maybe 3 things the club does over the summer (pool party, board meeting, maybe one other) and I haven't made one of them. I offer no excuse, but I blame life. Mine is just crazy. Yeah, it's a lame defense as everyone could claim that, but hey, it's all I've got.

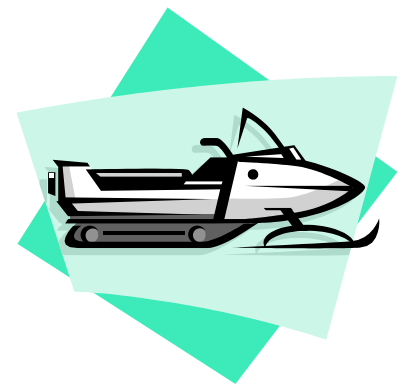

Part of my craziness this summer has been that I have been working. I was a Census Enumerator (you know, those PIA people that went door to door asking questions) and now I am working as a field interviewer for a government study. Part of the "problem" is that my job was and still is to talk to people when they are home. When are they home you ask? Why, evenings and weekends I tell you. So, my work is usually 3pm-8pm and Saturdays and Sundays.

Finally, the kids are back in school, the days are getting cooler and my dog is looking forward to the snow. He hates hot and humid weather. Oh, are you guys also looking forward to the snow? But in all seriousness, time to make sure those sleds are tuned up and in good working order. Ride on my friends!

No more BS for now,

Bill Lofgren
