has stepped up to be our new
Ass't County Director.

September 2014

Letter from the President

Hi there! I know it's hard to believe, but it's that time again! Time to start getting ready for another snowmobile season. Given the summer we've had, winter could be just around the corner. So, start thinking about checking your sled out and making sure that no little critters have gotten into anything. And make sure that you have fresh gas to put into your tank(s)!

I must say that it has been a quiet summer in that I haven't heard of anything of importance to bring to your attention at this time. Could be that everything will start now that Labor Day has past, but we'll just have to wait and see what happens in the coming weeks. However, I do want to inform you that Mandy Matheson, Hillsborough Ass't County Director has decide to take a break from the position. Wendy Parker, from Hillsboro

Our first meeting will be this Monday (September 8th) 7:00 pm at the Rec Center as usual. One important item that is on the agenda for the upcoming season is the reviewing/refining of the board's suggested calendar of events. If you have any ideas for activities for the club, please come and help us with the planning. The more members involved in the planning the better. All ideas are welcomed! So, don't be shy, come join us and meet some of the other members of your club.

That's it for now! I hope to see you Monday night. Let's keep our fingers crossed for a great coming season!

Your President,
Albert Lambert

Trail Update

I am redoing a 26 foot bridge with Steve and making two 6 foot bridges over an existing mud hole in front of The Perennials.

Steve and I went out and checked all the trails for work. We did some work, but more is needed. Another bridge by Water Works is in need of fixing and we'll need an excavator for that. Rocks will need to be dug out off of Mountain Road. Also, an Eagle Scout contacted me about redoing a small bridge. Steve and I are currently working with him on his project and helping him in every way we can. He is doing this to earn a merit badge. If anyone would like to help with trail work, please attend the first meeting (this Monday, Sept. 8) so you can sign up. A 4-wheeler is very helpful to have, but not necessary as we need muscles too!

Fundraising

New ideas always welcome! If anyone has any ideas for additional fundraising, please feel free to email me at: racersuperdave@comcast.net, or call me at (603) 487-3938 or (603) 315-8115.
